

June 2017 Newsletter

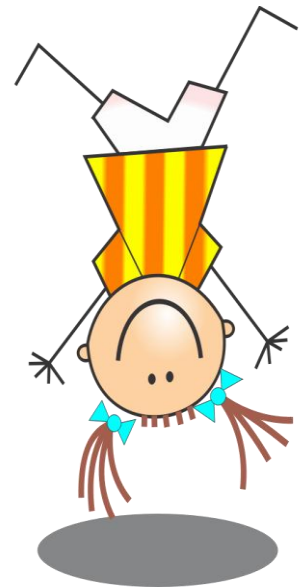

Colossians 3:17 NLT “And whatever you do or say, let it be as a representative of the Lord Jesus, all the while giving thanks through him to God the Father.”

The Role of Parents:

Excerpt from an article at www.pbs.gov/parents/education

Connect What Your Child Learns to Everyday Life:

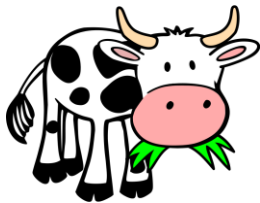

“Make learning part of your child’s everyday experience, especially when it comes out of your child’s natural questions. When you cook together, do measuring math. When you drive in the car, count license plates and talk about the states. When you turn on the blender, explore how it works together. When your child studies the weather, talk about why it was so hot at the beach. Have give-and-take conversations, listening to your child’s ideas instead of pouring information into their heads.”

Let’s Have Fun

Riddle: Where do cows go for entertainment?

Answer below.

Exercise: Play Follow the Leader. Do different activities, like skipping, jumping in place, squats, and anything fun you can think of, etc. Do you have a small hill in your yard? Climb the hill.
